

Do you qualify for Purchased/Referred Care (PRC)?

Indian Health Service (IHS)

May be able to provide you with the medical and dental services
you need through the PRC Program

PRC qualifications are listed below

- Be eligible for IHS direct care services;
- Meet certain residency requirements; and
- Be authorized by PRC for the payment of services.

Please note: IHS patients seeking PRC are required to apply for and use all
alternate resources, such as Medicare or Medicaid, if the patient
is potentially eligible for that alternate resource.

For assistance and additional information,
visit your local IHS PRC Program
