*Some TRIHCI employees were not vaccinated at TRIHCI.

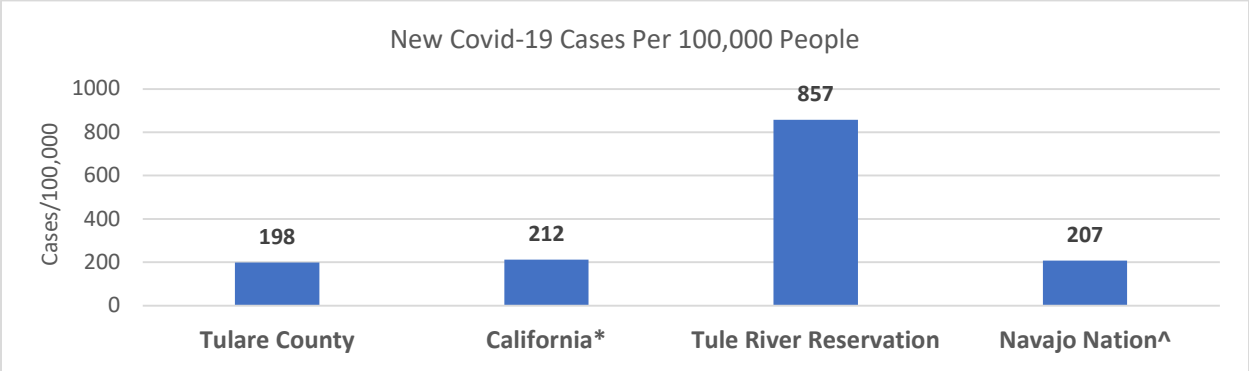

Covid-19 vaccines are available from the Tule River Indian Health Center. Please call 853-6123 to schedule yours today. Vaccination rates are the estimated percent of the eligible population who are fully vaccinated from Covid-19.

New Cases

New Cases Last 7 Days

On Reservation: **96**

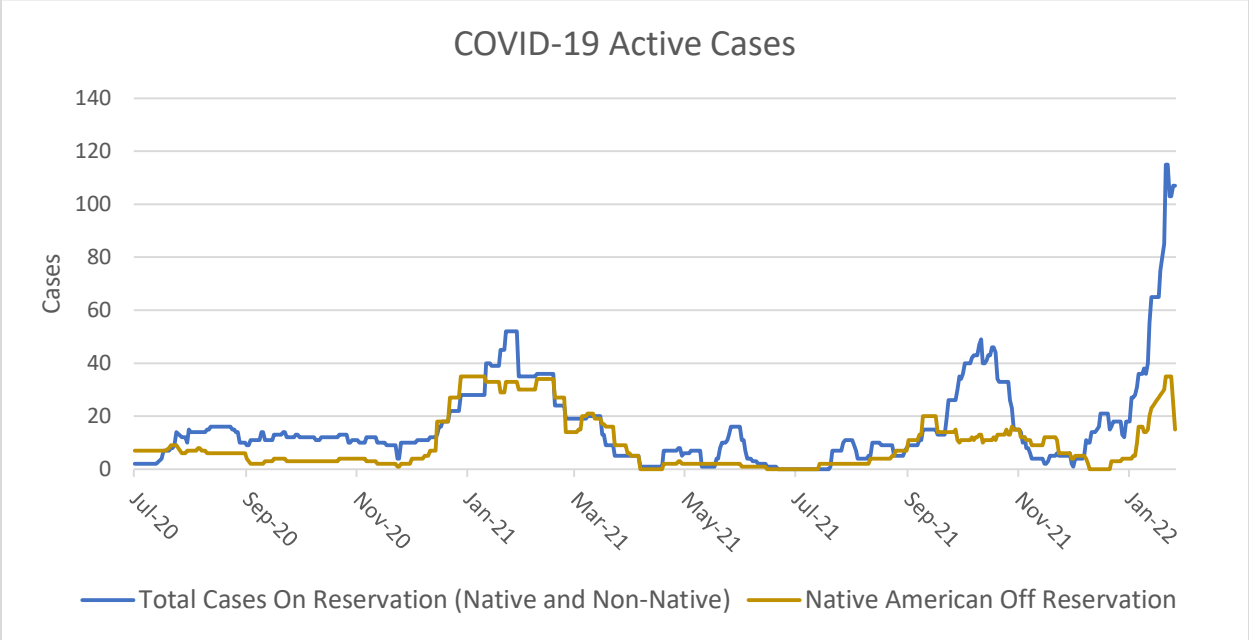

Off Reservation: **8**

“New cases” are everyone who tests positive for Covid-19 for the first time within the last 7 days. The graph below compares the rate of new cases with other areas. Data is based on the following sources: *<https://covid19.ca.gov/safer-economy/> ^<https://www.ndoh.navajo-nsn.gov/COVID-19/Data>

Active Cases

Active Positive Cases: 120 (107 on & 13 off reservation)

“Active cases” are everyone that currently has Covid-19 on the reservation. This number is different from new cases because active cases may have first tested positive more than a week ago. New cases are only those that have tested positive within the last week.

Cumulative Cases

Cumulative Positive Cases*: UNKNOWN (-- on & -- off reservation)

Recovered:[†] UNKNOWN (-- on & -- off reservation)

Deaths: 8

Cumulative cases are all cases of Covid-19 diagnosed at the Tule River Indian Health Center of residents of the reservation or other patients of the center.

Quarantine

Number in Quarantine: UNKNOWN

Quarantined individuals are those with a known direct exposure to a positive case of Covid-19. They are ordered to stay within their residence or another facility for up to 14 days.

Citations

To date, the Tule River Tribal Police have issued **8 citations** for not complying with PHA Orders.

If you have questions or comments about the situational report, please email pha@tulerivertribe-nsn.gov or call (559) 853-6123.

* Total Cases include all residents of the Tule River Indian Reservation and Native non-residents

[†] Recovered includes those that are or lost to follow-up and have been released with doctor's permission.
