

TULE RIVER TRIBE PUBLIC HEALTH AUTHORITY

Event Assessment Form

To keep our community safe during the COVID-19 pandemic, the Public Health Authority requests additional information from anyone wishing to host an event on the Tule River Indian Reservation or its properties which includes attendees from more than 3 households. Upon receipt of this form, the PHA will assess the risk level of the event then pass this information to the Tule River Indian Tribal Government to approve or disapprove the event.

During COVID-19, no event can be risk free. Anyone attending an event should be aware that gatherings increase their risk of contracting COVID-19.

Instructions: The host of the event must complete the form below. Please return no later than business 5 days before the event to eoc@tulerivertribe-nsn.gov or in-person at the Tribal Administrative Building. You shall receive comments from the PHA about the safety of your event.
